LED Golf Ball Lamps 24V or 240V

BC or ES LED golf ball lamps which fit into our heavy duty IP55 festoon with BC/ES lampholders.
For indoor & outdoor use.

They can be used for events, parties, concerts, festivals, weddings, pubs, clubs, Christmas lighting, shop fronts, shopping centres, architectural projects and so much more.

Please contact office with details to allow us to design & make your festoon lighting system ranging from 240-24V.
